E-mail address:	phil@knpr.org
Website:	www.knpr.org

Brief Biography (200 words or less):

Public radio experience:
KMUW Wichita, KS
KSGU Tulsa OK
WUWF Pensacola, FL
KNPR Las Vegas, NV
Nevada Public Radio

After 20 years as a News Director and 7 years as Program Director, I decided it was time to enter a field where I was totally unqualified...broadcast engineering. It's worked out since I know more than anyone else in the building and have been able to deflect questions for which I have no answers.
